

Find Industry Leading Education Online

MINNEAPOLIS, MN May 29, 2009 – Industry-leading education is just a mouse-click away with a series of O&P courses from Otto Bock HealthCare.

Beyond convenient, cutting edge education, you can also earn discounts on Otto Bock knees and feet when you complete the newest online course – Advanced Lower Extremity Prosthetics: Prosthetic Foot and Knee Interaction.

You are also eligible to earn two CEUs for completion of this course. And for a limited time, successfully completing the course earns you a \$100 discount on select Otto Bock knees and feet.

You can find a link to the Foot and Knee Interaction course by logging onto www.ottobockus.com, then selecting the link to Academy, followed by the link to E-Learning.

Along with the Foot and Knee Interaction course, you'll also find links to a series of courses covering lower extremity prosthetics, upper extremity prosthetics and orthotics.

Established in 1958, Minneapolis, Minnesota-based Otto Bock Health Care LLP is the North American corporate headquarters of Otto Bock HealthCare, GmbH, based in Duderstadt, Germany. Otto Bock has more than 3,800 employees worldwide and produces over 20,000 types of prosthetic and orthotic components, mobility and rehabilitation products
