Ordering an Otto Bock Motus™ Wheelchair: Streamlined & Simplified

Minneapolis, MN – By adding a link to the configurator tool on the Motus Wheelchair website (<http://www.ottobockconfiguremotus.com/>) Otto Bock HealthCare has made even more user friendly the process of online ordering of the popular wheelchair. Already widely recognized as an industry leader in customer service support, the addition of the link is an example of Otto Bock's commitment to a positive online experience.

"Any improvement we can make that benefits our customers and their patients is a priority to us," says Nicole Muehlenhaus, Otto Bock Marketing Manager for Mobility Solutions. "The response has been very positive since its recent implementation with our data showing it as the most used link on the Motus website."

Customers wishing to utilize the new ordering system should call Otto Bock Customer Service at 800.328.4058 to activate their passwords and to ensure they receive accurate pricing.
