

Otto Bock HealthCare Announces New Hire in Professional & Clinical Services

MINNEAPOLIS, MN – Otto Bock HealthCare announces the new hire of Erica Swanson, CP, MOT, OTR/L as a Clinical Specialist-Prosthetics for its Professional & Clinical Services team.

Erica is an ABC Certified Prosthetist and joins Otto Bock with clinical experience as a Prosthetist and as an Occupational Therapist. She is a graduate of California State University-Dominquez Hills and holds a Masters Degree in Occupational Therapy from the University of North Dakota.

In addition to her experience as a Certified Prosthetist with Hanger Prosthetics and Orthotics and Fairview Orthotics & Prosthetics, Erica also worked as an Occupational Therapist for the Courage Center and Aegis Therapies.

“Erica brings a unique set of credentials and experiences that will make her a valuable addition to our education team,” says John Phillips, ATP,CFo, Clinical Education Manager for Otto Bock. “Her strong focus on improving patient outcomes, combined with her understanding of the challenges that O & P practitioners face each day, make her ideally suited for the role. We look forward to Erica helping us maintain our industry leading reputation for delivering world-class education.”
