

## Otto Bock HealthCare Announces New Vice President of Sales

MINNEAPOLIS, MN – Gaurav Mishra joins Otto Bock HealthCare as Vice President of Sales and will lead global sales initiatives at Otto Bock headquarters in Duderstadt, Germany.

Mishra holds a Masters Degree in Business studies (MBA) from the University of Edinburgh and is also a former fighter pilot for the Indian Air Force. He brings to Otto Bock a wealth of international sales experience, and prior to joining Otto Bock he was responsible for international business development for Touch Bionics UK.

“Gaurav’s extensive sales experience and his knowledge of the prosthetic industry make him ideal for the position of Vice President of Sales,” said Bert Harman, President and CEO of Otto Bock North America. “His attention to and emphasis on customer service is also significant, and we’re pleased to have him as part of the Otto Bock team.”

###

Minnesota-based Otto Bock HealthCare LP was established in 1958 as the Americas corporate headquarters of Otto Bock HealthCare, GmbH, based in Duderstadt, Germany. Otto Bock has more than 4,000 employees worldwide and produces over 40,000 types of prosthetic and orthotic components, mobility and rehabilitation products, and is the U.S. leader in delivering continuous passive motion (CPM) services and related therapies.
